GERMANTOWN PRESBYTERIAN CHURCH

GLOBAL MISSIONS REGISTRATION FORM

Xpujil, Mexico: Clean Water Mission

Thanks be to God that you are discerning a call to serve as a short-term missionary through GPC's Global Missions. Being part of a mission team is more than just going on a trip. It's a commitment during both the months leading up to the trip (in preparation) and in the months following (as an advocate to the congregation). As a sign of your commitment to serve, and because there are limited spots available, we ask that you **complete and submit this form, along with your deposit, to the church office by Sunday, January 28, 2018**. Please make any checks payable to Germantown Presbyterian Church. Refer any questions to Associate Pastor Jay Howell (jayh@germantownpres.org, 901-754-5195 ext 112).

**GPC's Missions Leadership does not want cost to be an undue burden preventing *anyone* from being a part of this team. If you sense the cost of the trip to be an obstacle, and you sense a clear call to be a part of this mission team, *please do not hesitate* to contact Pastor Jay (jayh@germantownpres.org, 901-754-5195 ext 112).

Due to limited space, GPC's Missions Leadership has set a maximum of **eight people** for this mission team. In consideration of fairness, should there be more interest than space on the team, participation on this team will be determined on a first-come basis. **Your registration will be considered complete upon the completion of this form *and* submission of the deposit (\$225).**

Please briefly respond to the following:

Describe your sense of call to short-term missions.

Have you ever served as a missionary before? If yes, please describe your experience. If no, please speak as to why missions resonate with you.

How do you sense that God has equipped you for missions?

What are your expectations for this short-term mission?

Will you commit to being a dedicated mission team member, not only during the trip itself, but also in the months leading up to the trip in preparation and in the months following the trip as an advocate within the church for the mission? What does the commitment beyond the trip itself mean to you?
