Breathe - Parents' Night Out

"Breathe" is a parents' night out program offered by Germantown Presbyterian Church to its membership and the community. Our desire is to provide the respite parents need in today's fast-paced world! Children as young as one year of age through 5th grade are welcome. We also include individuals of any age with special needs that require adult supervision.

A Friday evening lasts from 6:30pm - 10pm and includes a pizza dinner, themed crafts and activities, and a movie.

Pre-registration is required to insure a spot (a one-time registration fee of \$10/ family). Monthly reservations with a small fee allows the program to thrive. **Reservation deadline is noon on the Monday before the event night.**

You may register (a one-time process) and then make a reservation at <https://germantownpres.org/involvement/breathe-pno/>.

Reservations close at noon on the Monday before the event.
