As GPC approaches the one-year anniversary of having Pickleball listed as a frequent addition to our church calendar, the GPC Pickleball Committee wants you to know more about this popular way to have fun and get some exercise with other members of your church family. Pickleball is a sport that is something of a mix between tennis, badminton and ping pong. All that is needed which GPC will supply for you is a net to divide the playing surface into two courts, a hollow perforated plastic ball, a solid paddle (larger than one for ping pong), your tennis shoes, and a good sense of humor and sportsmanship.

There are several versions on how this sport came into being but one thing is in common: in the 1960's some very inventive people in Washington State were concerned their children were bored and inactive and came up with a new game that families of all ages could play together with very little investment in equipment. Some think the family dog named

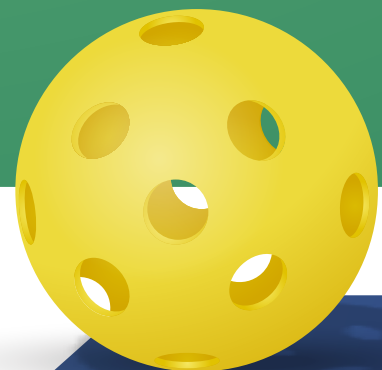

Pickles led to the catchy name for this sport but officially the game was so-named due to one of the inventors playing off the word "pickle boat" which is the term for a boat made up from scraps of various other boats... similar to Pickleball which was born from the elements (scraps) of tennis, badminton, and ping pong.

Interest in pickleball continued to grow, and spread from the Pacific Northwest into other parts of the USA and has been exploding in popularity over the last few years due to the fact that people of all levels of athleticism can take up this sport. It is especially popular with older players as it offers cardiovascular exercise with little risk of injury. The pickleball court is smaller than a tennis court, which means that players don't have as wide an area to cover. The ball is also a lot lighter than a tennis ball and is served underhand, making it easier for people at all fitness levels to play. Added to this, the duration of an average game is 12 minutes, making it possible for players

to take frequent breaks. In 2021, 2022 and 2023, the sport was named the fastest-growing sport in the United States by the Sports and Fitness Industry Association, and by 2023 it was estimated to have over 4.8 million players.

## **What do you need to get started?**

Please check with the GPC website and search under "News and Resources" to find the Pickleball Tab for gym hours available for times to play. Also we recommend that you contact one of the GPC Pickleball Committee members (Mike Lyle, Paula Hopkins, Lori Harding, Wendy Holmes, Elizabeth Powell, Jill Crocker, Cathy Borden, and Linda Oakes) to become a member of a simple app (Group Me) to learn about upcoming lessons and communications from your GPC family to find out when others are meeting to play.

## Ernest Mellor Library

# THANK YOU!

Thank you to each and every one who has supported and frequented our library. It has been a joy for those of us on the Library Committee to enhance this special resource for our church.

### ADVENT READING

During Advent, take a look at the library displays for recommendations for pleasure, study or devotion.

### CURRICULUM SUPPORT

If you or your Sunday School class need any additional or supporting resources for your current or future study, please contact Karen Fesmire at [vuktf@aol.com](mailto:vuktf@aol.com). We are working with the Spiritual Formation Committee to better support our Christian education curriculum.

### HELP DECORATE THE LIBRARY CHRISTMAS TREE

The library tree is up! We have some basic decorations but would love you, the GPC family, to join us to help make the tree representative of our congregation. Ornaments can be store bought or homemade. We would like to keep whatever you hang on the tree for future Christmases. All are welcome – adult, children and groups. Come help start this tradition. Check out our holiday books while you are there!

### BOOKS UNDER THE CHRISTMAS TREE

Christmas is a special time for reading a book with a child. We want to encourage this Christian nurturing time in your family with children or grandchildren. Take a peek under the Christmas tree and check out a children's book. The children should come to the library and look for a book under the Christmas tree to check out. Take a picture of your child with the book or you reading to them.

### LIBRARY DONATIONS

Christmas and Thanksgiving are great times to honor someone with a donation to the library – Sunday School Teacher, Mentor, Staff Member, brothers and sisters in Christ. You may donate online at [gpctn.org/giving](http://gpctn.org/giving). Select the Library and note your honoree.

### SEARCH OUR ARCHIVES

A wealth of knowledge is at your fingertips. Scan here to search our archives to find books on Christianity for all ages.

## BLUE CHRISTMAS WORSHIP SERVICE

SAT, DEC 16, 3:00 P.M., EVANS CHAPEL

The Advent/Christmas season is one of wonder. For so many it is a time of hopeful anticipation. It is a season of promise. The longer nights and the gray clouds seem to provide the perfect background for the lights and the tinsel. The decorations are everywhere we turn. But for many of us, Christmas can be a harsh reminder of life that once was. A Blue Christmas worship service provides the opportunity for us to gather to carve out a time of quiet reflection, to honor the emotions of the season that are less than joyful, and to be reminded that we are not alone in this season.

We welcome you all to come and worship God with us in this special worship service, and if you know someone who might also benefit from the Blue Christmas worship service, please invite them to attend.

## CHURCH FAMILY PRAYER PROGRAM

Members of the congregation are randomly selected each week to be lifted up.
